Lime is necessary to grow Alfalfa,
Clovers and many other crops.

Lime encourages bacterial activity
and sets free plant food.

Lime, legumes and inoculation
will bring your customers increased
profits from their farm operations.

GLOBE FEEDS

For

Poultry, Cows, Hogs, Horses, Dogs, Pigeons, Rabbits, Foxes

For more than thirty years The Albert Dickinson Company has been known as leaders in the field of feed manufacturers. Constantly searching for something better; everlastingly experimenting to produce feeds of greater value at the lowest possible cost to the user, has kept us out in front year after year.

The best recommendation we can offer for Globe Feeds is the fact that dealers stay with us. We have

dealers who have been handling Dickinson's Feeds for over thirty years. Some of the very first merchants who ever purchased feeds from us, are still regular customers.

If you want to build a feed business that will last; one that is on a solid foundation of quality and results at fair prices, ask us about our Globe plan of feed merchandising.
